Newfoundland Club of America – Water Test Boat ID Tag Application

Use this form to obtain an ID tag for your boat to be qualified to be used at NCA water tests. Regional clubs can have multiple tags issued within their region. Individuals can also submit their boat information to receive a tag.

Date _____

Regional Club Name _____

Boat Owner Name _____

Address _____

City _____ **State** _____ **Zip** _____

Phone _____ **email** _____

I. Boat Measurements

A. Length _____

B. Width _____

C. Height at the rear of the boat _____

Platform dimensions: _____

Attach the following photos of the boat:

A. The boat riding on the water with the platform on, two stewards in the boat, and a dog and handler on the platform

B. Photo of Maximum Capacity Placard (If the boat has one)

If the boat is approved, the Working Dog Committee will return the ID tag to the boat owner listed above and will record the boat number for future tests. Tag must be placed in an area **visible to the judges** such as inside or outside the bow of the boat, or the exterior of the stern, **not** under the platform.

Mail this form and photos to:
