*This application and all necessary forms must reach the Water Test Applications Person of the NCA Working Dog Committee (name is posted on the NCA web site) AT LEAST 4 months prior to the water test date. If two tests are being held each test must have a separate application, unless all of the elements are the same (site, judges, etc.) then both dates should be entered on one form. Only one application is needed for a test weekend as long as the site, judges and committee are the same.*
